PARISH COUNCIL

Parish Clerk: Laura McGowan, email catonparishcouncil@gmail.com

New Clerk Our new Parish Clerk is Laura McGowan, who lives in Caton on Brookhouse Road. We are sorting a dedicated mobile phone number for the Parish Council, so for the time being please contact her by email or leave messages with the Victoria Institute on 01524 771733.

Solar-powered speed indicator devices Providing the new SPID is inching forward, and we hope to have the posts for them in place soon.

Village website The village website is about to undergo a major revamp. More information next month.

Fell View Play Park The Parish Council is very grateful to LEF, who have allocated us up to £13,500 for the work needed on the Play Park. We have ordered a replacement play hut which should be installed by the end of March. We're getting prices for the work needed on the rotting timber fences and supports and hope to sort the benches and top up the Cushionfall soon. And a big thank you - when we went to check on the Play Park on Friday 12th January, not only was it litter-free but someone had done some weeding and raked the Cushionfall. We don't know who did this but we were so pleased to see this had been done!

GREEN BINS

A reminder to subscribers that green bin waste collection starts again week beginning February 12th.

SUSTRANS GREENWAY IMPROVEMENT PROJECT

At the time of writing (13th January) Sustrans are on track to complete the final element of the greenway improvement project; a new fully accessible ramp will have been installed to help users connect up to Bull Beck picnic site. Aside from some minor snags for the contractor to pick up, this completes the package of improvement works and no more partial closures are expected along the path in relation to this project. Sustrans thanks all residents for their cooperation over the last couple of months.

Sustrans are also hosting a free, family-friendly activity day at Crook O'Lune Car Park on Saturday 17th February 10:30-14:30. Get yourself (and your bike!) ready to 'Roll into Spring' with Sustrans and a number of our local partners. Nature trail, kids activities, bike maintenance, e-bike / adaptive bike demos and more tbc! Please look out for further information relating to the event on the village webpage and on Facebook, and at the Sustrans link here: <http://tinyurl.com/sustrans-caton>

FIRST SATURDAY LITTER PICK

A group of residents get together on the first Saturday of every month to pick up litter and tidy the villages. The meeting place is outside the Victoria Institute at 10.00 am, weather permitting. You decide how much time and where abouts in the village needs some attention. Half an hour or an hour can – and does – make such a difference. It is a disappointment that the car parks on Hornby Road and by the playing field always need so much attention with bottles, cans, and sandwich wrappers having been dropped so casually. Many thanks to our volunteers who turned out in January collecting six bags of rubbish! An annoying clutch of empty bottles also had a welcome aspect - a £10 note now donated to the Victoria Institute rewiring fund.

If you have seen an area which would benefit from a tidy up, or have any queries, please contact Judy Powell on 771154. Rubbish bags, bag holders, and litter pickers are provided, and it is a good idea to bring your own gloves. Hi-vis vests (various sizes) also available on request. Next session: **Saturday 3rd February**

CATON WOMEN'S INSTITUTE

January saw our auction of unwanted items. A big thanks goes to everyone who donated items. Some super bargains were snapped up and we were well entertained by our auctioneer's amusing commentary. We also voted on this year's Resolution. The Women's Institute works on many different campaigns focussing on issues relevant to women here and abroad. As a branch, we discussed and voted on the next of these campaigns with the votes being taken forward to the National Annual meeting where the winning issue will be approved. More information on past, present and this year's issues is available at www.thewi.org.uk.

We are hoping to start up our craft group again, now the days are getting a little warmer! Continuing on from our successful project sewing belongings bags for St John's Hospice, this year we are making hats for the homeless. If you can knit, or want to learn with friends, (or just want a natter!) we will be meeting up to work on this project together. More information at next month's meeting.

Next month our meeting will be at 7:30, February 1st at the Victoria Institute. We will be having a fun and relaxed session with Anne Lamb and learning some Line Dancing. Visitors are always welcome. Why not come with a friend for a fun evening, or make new ones with us!

CATON GALA

Caton Gala 2024 gets ever closer. It will take place on the 18th May 2023 at Elm Grove Field, Caton. The theme will be "Olympic Sports, (past and present)". Please bear in mind that the "modern" Olympics started in 1896 but, prior to that, the Ancient Greeks were at it in the 8th century BC. This should provide plenty of opportunities for fancy dress and other activities.

On the subject of "activities" etc. The entry forms for the competition to choose the Gala Queen, Attendant(s) and Page Boy(s) have now been delivered to local schools. The entry forms for the Drawing Competition have also been delivered to local schools. The Closing date for both competitions is the 29th February 2024. If your child does not attend a local school but would like to enter either (or both) competitions, please contact the committee and we would be pleased to send you a form. Contact can be made via our Facebook page, contacting a committee member, coming to the meeting or by email to catongala@catongala.co.uk.

The next meeting will take place at 8:00 PM on Monday the 5th of February 2024 at the Station Hotel, Caton. All are welcome to attend.

TWINNING VISIT FROM SOCX

Our French friends are coming to stay from 20th-23rd April - if you would like to get involved, either by hosting for the 3 nights or joining in with social events and visits, please do contact tricia@marybankfarm.uk. You don't need to have a big house, just to be friendly. We always try to match up our guests with suitable hosts, including their knowledge of English or French so please don't worry about that. It is always an enjoyable time - and helps you to meet new people in your own village too! We are also happy to have hosts who don't live in the village.

CATON AND BROOKHOUSE COMMUNITY HUB

Caton and Brookhouse Community Hub meets the first and third Saturday of the Month from 2pm-4pm. The hub is open for children's activities and a chance to meet people from the village over cake and a cuppa in a warm, friendly space.

We also offer different activities each session for people to get involved in, if they wish.

Feb 2nd Repair Cafe - Toaster broken/ ripped your favourite jacket well don't throw it away! Come and learn skills and save money at the repair cafe. We have people who can do software repairs for mobile phones/laptops/tablets. Basic Bike maintenance. Learn how to mend clothes/toys. Repair household electrical and wooden items.

Feb 17th - Waste Reduction. We all know the phrase Reduce, Reuse, Recycle. But sometimes it can feel like a minefield. What goes in which bin? Does it actually get recycled and how can I reuse items? Come along to our waste reduction day and find out more with lots of activities, information and ways to get involved including raising money for your favourite charities.

November '23 – Iain Lightfoot - £50

December '23 – David Scholey - £50

If you would like to be entered into the draw for a chance to win a cash prize, please see our website, or get in touch. As the number of entries increases, the prize will also increase.

On the 9th of Jan, we were kindly given training on how to use the defib we have at the club, so we can effectively use it, should an emergency occur. We are hoping to open the invite to the community in a few months when the weather warms up, and we can carry out the training outside on the field. We will post the info nearer the time. Thanks for those who have kindly selected us as their good cause in the Co-op Local Community Fund. There is still time to select us if you wish to do so. It will help us to keep improving our facilities. Last note: our first team have a big Cup game coming up on the 3rd of February against Eagley FC from Bolton at Caton. It would be great to see as much local support as possible in what will be a tough game. As always, if you are looking to help us with suggestions or as a volunteer, you can visit us during our home games, or contact us on social media via Facebook, Twitter, Instagram, and via email info@catonsports.co.uk. CATON CHURCH SCOUT GROUP

Thank you to everyone who bought a Christmas tree from us or came to the Christmas Fair.

We are pleased to report that we raised approximately £500 towards our trailer fund. A huge thank you to our Scouts who have been awarded their fundraising badges as a result of running these activities, congratulations!

Going forward, we have lots of exciting activities planned, such as adventure days, camps and environmental days in all three sections: Beavers (6-8 years old), Cubs (8-10.5 years old) and Scouts (10.5 -14 years old).

We currently have some spaces in our Beaver Colony which is for 6-8 year olds. They meet on a Tuesday night from 6 until 7pm. If you would like to find out more about Beavers and book your first session, please email catonchurchscoutgroup@gmail.com

CATON AND BROOKHOUSE GARDENING CLUB

We hope everyone enjoyed our festive meal last month. It certainly seemed to be a nice social occasion and was much better than staying at home on a miserable January afternoon. Thanks to all for coming and supporting the event.

Our next function is on Thursday February 8th at 7pm in St Pauls church hall. Our speaker will be Trevor Pearce and his subject will be the Heyday of Victorian Gardening. As you all know, Trevor is an expert on ferns - and he will try to get ferns into his talk but that won't be at the expense of hearing about what to us are the idiosyncrasies of the gardening philosophies of our ancestors. It will be entertaining so do come along. Non-members (£2 entry) are welcome and as usual refreshments are provided. See you then.

CATON PRIMARY SCHOOL

We have started the Spring term with some very exciting topics to inspire our children. Reception's topic is 'Once Upon a Time' and they have been very busy investigating who stole the porridge from the classroom! They found some strange footprints and some other clues so they worked in teams to set traps. Now they are debating whether it's Jack or the giant who is the baddie fairytale character! One child said they thought it was the giant "because he wouldn't share his stuff" and another said it was Jack "because he took all the giant's things"!

Forest School this term has got off to a frosty start. Reception sprinkled porridge trails through the forest and made mini shelters for different fairytale characters. Class 2 is investigating how the forest changes with the different seasons, linked to their topics of the weather and plants. Class 3 is considering what makes Earth angry, something that's in the news currently with the eruptions in Iceland. Their science learning is all about teeth and digestion and they've already had great fun experimenting and inspecting each other's teeth! Class 4 is focusing on the Mayans in history and population and migration in geography. Also, to kick off the whole school's focus on careers, Class 4 were thrilled to listen to a careers talk from NHS workers.

We are so lucky to have our wonderful sports hall for lunchtime activities. The children enjoy lunchtime archery, Zumba, table tennis, circuits, chess and board games, basketball and football. There are also many other clubs to enjoy during and after school, including Lego Club, Choir, the School Band, multi sports, gymnastics and Eco Club. Our sports hall and field are available for hire. The hall has a fully-equipped kitchen, stage, pleasant meeting room and toilets. For further details, contact the school office (01524 770104).

The PTA's first event of 2024 was a 'glow disco' which everyone thoroughly enjoyed! Whilst the children danced the evening away, their parents spent a very valuable hour in an online safety workshop, learning how to keep their children safe online. We look forward to the many other forthcoming family events our marvellous PTA has planned.

GROW CATON

This month we are still eating though our potatoes, onions, beets, squashes and other produce from last year, whilst planning for the year ahead with the usual fresh hope for a great veggie season and seeing the rhubarb popping up here and there. The seed swap box will be out again at the Institute later this month, so if you are clearing out packets of old part-used seeds please keep them and pop them in there to share. When our group has their seedlings going we are bound to be sharing the surplus for these too. First though we will be having a practice run at pruning apple trees so we know what we are doing to get the community orchard established. We have decided to plant the walnut trees at Becksides next autumn when the green is free again. The garden share is well balanced now with demand and offers of garden space. If there are any new people who wish to come on board this year then do get in touch and we will get growers and owners matched up when we can. To find out more, or be part of the Grow Caton WhatsApp chat, contact us via Peter Collins at the Victoria Institute, via Brigitte 770771 or email growcaton@outlook.com, or via Anne 771470.
