

LINK

ISSUE FOR JUNE 2021

LINK DELIVERY

Mrs Bolland has delivered the Link to residents in and around the upper part of Brookhouse Road for very many years. She has decided that the time has come to hand over to someone else. On behalf of the residents she has delivered to and from the Link team, a very big "thank you".

PARISH COUNCIL

Clerk:- Gill Mason - 07882 949110. E-mail - catonparishcouncil@gmail.com

COUNCILLORS - At the May meeting, Nick Heywood was elected Chair with Jenny Walmsley continuing as Vice Chair. Emma Frobisher was co-opted as a councillor. After that meeting Mark Skeldon stood down as a councillor. We are grateful to him for his service on the Parish Council, especially on the Poores Land Charity. We do now have another vacancy; any local resident who is interested in joining the council should contact the Parish Clerk in the first instance.

GRASS CUTTING - The Parish Council was disappointed to hear that this year Lancaster City Council will only cut the grass every four weeks instead of every two. We hope that get back to a more frequent cut next year.

PLAY PARK - Replacing the seat on the zip wire is proving more difficult and expensive than expected; we're investigating cost effective options.

OVERHEAD POWER LINES - The Forest of Bowland AONB has some funds available to replace overhead power lines with underground lines. Which do you find most unsightly in our area? Let the Parish Clerk know - please include photos and explain exactly which area you mean.

FLAG AT THE WAR MEMORIAL - For many years, Station Garage has stored the flag, and ensured it is flown when required, most recently to mark the death of the Duke of Edinburgh. A big thank you to the team at Station Garage for doing this! In future the flag will be stored at the Victoria Institute. The Parish Council is investigating buying a new flag - the current one has been in service a long time.

NEXT PARISH COUNCIL MEETING will be held on 8th June. It may be possible to hold an in-person meeting; if not it will be by Zoom again. Contact the Parish Clerk for the latest information.

POLICING AND SPEEDING - Speeding is a major concern for many residents. We can all report roads where speeding is an issue. Please do it on the correct Lancashire Highways site: <https://lancroadsafety.co.uk/submit-concern/>. If there are enough reports over a period from different residents, then Highways will work with the police, and speed checks and investigations will take place. If you see vehicles parked dangerously, perhaps near the zebra crossing or elsewhere, do take a photo as evidence and then inform the police by dialling 101 in the first instance. Or online at <https://www.police.uk/pu/contact-the-police/report-a-crime-incident/>.

Some residents have felt that the police are slow to respond to incidents in rural areas, especially anti-social behaviour and vandalism. Our local PCSOs say that they do now have more staff in the rural policing team, and hope to respond more rapidly.

PAINTING GROUP

We still cannot meet just yet. However maybe by July we might be able to, depending on what the rules are by then. Hope everyone is keeping well. Hope to see you all soon. Ruth.

CATON YOUTH CLUB TRUST

As many of you are aware the Caton youth club trust was set up to financially support young people in the community with projects that they might not otherwise be able to complete due to lack of funds etc and over the years we have been able to help many young people with thousands of pounds of support to go beyond a dream.

Sadly due to the coronavirus many opportunities for young ones have been put on hold, so for the second year running we have decided not to open up and ask for applications as we believe their wont been many opportunities to help, but we may be wrong and we would encourage any young person within the Caton with Littledale parish to get in touch if they do need financial help for a project they are involved in and we will look at it as an individual opportunity.

If you would like more details please get in touch with us, Tel: 812274 / talbotshome@gmail.com or speak to one of the trustees that you may know in the village.

LUNE VALLEY SWIFT GROUP

Our Swifts are back! Despite being delayed by the northerly winds of early May, Swifts have now returned from southern Africa to our villages to breed. And thanks to so many of you installing nest boxes, there are now more locations for them to do so. But the more nest boxes we can provide the better, so If you would like advice on how to do this, please get in touch.

If you are installing your own Swift nest boxes there are a few golden rules: they should be on east or north facing walls (on south and west facing walls, boxes get too warm and chicks can die from overheating); and they need to be a minimum of 5-metres above the ground with a clear flyway in front (no obstacles such trees or buildings close by).

Over the next two months, our little group of volunteers will be doing evening surveys to gather records of where Swifts are nesting, so we can help protect these sites. Do let us know if you see Swifts coming and going from a nest site or flying low around buildings (often screaming as they fly). lunevalleyswifts@gmail.com

CATON AND BROOKHOUSE GARDENING CLUB

With things still a little uncertain for a June 21st re-opening we will hang fire on arranging our autumn indoor meetings. But with the easing of restrictions on outdoor gatherings in May we are able to say that if any members are strolling up Caton Green way then they are welcome to come and have a wander round the Mears Ghyll garden. Very kindly the same offer applies to the garden of our chairman, John Cooper, in Broadacre View. That is about all we can do at the moment for our members. And despite lockdown and oodles of spare time the Mears Ghyll garden is not up to standard - so beware!

If anyone is troubled by box blight I have an article on control methods if you are interested.

On the wider front the new RHS Bridgewater garden in Salford is now open. The garden has been developed over the last 4 years on the huge 154 acre site of the now demolished Worsley Old Hall. It looks to be well worth a visit - and of course there is a cafe!

OASIS CAFE

Oasis Café is pleased to announce it is open once again on Mondays, Tuesdays and Wednesdays from 9.30am to 2.00pm at Brookhouse Methodist Church. If you need a place to relax and meet others over a coffee and cake or a light lunch you will be welcome here. Toys are available if you want to bring young children.

We look forward to seeing all our regular customers and new customers alike, and look forward to catching up with you all.

LEISURE CLUB

All our meetings/groups are held at the Victoria Institute, Caton.

Chair Exercises returned on Mondays 17th May 9.00-10.00 in the Main Hall.

Our new weekly class –Dru Yoga started on Thursday 20th May 10.00-11.00 also in the Main Hall. There has been a fantastic response and because we are currently having to limit numbers able to attend, we have started a reserve list. Anyone on the reserves list will be contacted to fill places when someone is unable to be at a class. However, we remain hopeful that it won't be too long before we can increase the numbers allowed in a class and everyone that wants to join us can do so.

Things are beginning to look more positive and hopefully things will return to 'normal', whatever that may be, after 21st June.

We are now planning our weekly meetings which will be starting on 6th September. They will be held in the Main Hall at the slightly later starting time of 10.30 and will finish at 12.30.

The Christmas Party is planned to be held on 6th December and a magician is being booked to entertain us.

If you or anyone you know would like an electronic copy of 'The Link' or need any further information on any of the above please contact Susan on 01524 771862 or email [sec.leisureclub@gmail.com](mailto:leisureclub@gmail.com)

CATON PRIMARY SCHOOL

Our children have loved their exciting learning in the first part of the summer term. In geography, the infants have been busy learning about India and comparing life in India to that in Caton. They have also been learning about life cycles and have watched their very own caterpillars evolve into butterflies. Our younger children have enjoyed learning and writing their own versions of the Very Hungry Caterpillar, whilst Year 2 have written biographies of Eric Carle. Even the juniors have been busy working on the same text - but en français! Our older pupils have been learning all about rivers, the importance of the River Nile and the water cycle. They have also been studying Shakespeare, learning all about the iambic pentameter used in Shakespeare's 'Romeo and Juliet', and they have designed their own websites. Year 5 and 6 have benefited from 2 days of Bikeability training and are now competent riding on the road.

Family Fun Day and Barbecue - Saturday 3rd July - 2pm onwards

Our PTA is busy organising this fabulous family event. There will be a D.J, barbecue, bar, games, competitions and much more. Everyone is welcome, whether or not you have any links with the school. Please come along and join in with the fun - your support would be greatly appreciated.

As Covid restrictions are lifted, groups might like to consider hiring our large sports hall and grounds. The sports hall is also a great place for birthday parties as we have a large kitchen too. Please contact bursar@caton.lancs.sch.uk if you would like to make a booking.

CATON ST PAUL'S COF E PRIMARY SCHOOL

Our Christian value this half-term has been Generosity and the children in each class have thought carefully about how they can show generosity to others in school and the community.

Diamond class have created cards to deliver to members of the community. Ruby class have been 'spotting' children with non-one to play with on the playground and involving them in their games. Topaz class have shared their favourite books with other children. Emerald class are baking cakes for everyone in school to enjoy. Sapphire class have designed wellbeing posters that have been posted on walls around school. Emerald class have made board games for the younger children to enjoy.

Emerald class enjoyed their school trip to Grizedale forest as part of their learning this half-term. They took part in orienteering and den building and looked at the similarities and differences between Grizedale and the Amazon Rainforest.

Our Pre-school consultation comes to an end on Friday 21 May. All responses so far have been positive so we are busy finalising plans to open in September 2021. Please look out on our website and Facebook for more information, or ring 01524 770241 to speak to the Headteacher, Mr I Gittins. Our plan is to develop an Early Years unit in school, giving Pre-school and Reception children the best start to life at Caton St Paul's.

We have welcomed volunteers back this month from the local community to read, deliver computing sessions, help with Maths and engage the children in sporting activities.

HORNBY PENSIONERS

Here Comes Summer At the time of writing the chances of a near normal summer are looking hopeful. We at H.P.A. are evolving our own Road Map as we go along. Over to Kath for Stage 2.

Trips Hello everyone. Our trip on 13th July is to Askham Gardens, near Penrith. We'll stop at Kirkby Stephen on the way and Lakeland Plastics on the way back. 9 o'clock start in Hornby, picking up at the usual places, and hopefully home by 6 o'clock. Booking starts after the June trip, by calling my home (015242 21845) or mobile (07597774681). If we still have restrictions in July, how they affect the trip will be included in the July editions of the village newsletters.

I'll be contacting people during the first week in June about payment for the June trip. See you all soon. - Regards, Kath.

LVCS SWIMMING POOL

Despite the difficulties everyone has faced in the last 18 months The Lune Valley Swimming Pool in Hornby is doing quite well.

Even with current restrictions we have averaged around 400 swimmers per week and are always looking at ways to improve on this in the short term

In addition, during down-time we have carried out a maintenance programme of replacing worn out equipment and pool plant.

We are hoping to provide a further range of swimming opportunities for residents and visitors to our area during the summer months and planning to make some cosmetic improvements (volunteers welcome!) and return to full capacity as soon as Covid19 conditions allow.

We are most grateful for the continuing support and understanding of the local communities and schools during these challenging times.

Please check our website for timetable changes and booking procedures.

CATON WITH LITLEDALE PLAY PARK ACTION GROUP

Just a reminder! Our survey will help our village to plan for new outdoor facilities and improvements and where they should go. Please take a couple of minutes to have your say - if you haven't already! It's for everyone in our community.

Would you like free fitness equipment for you and your friends? Let us know! Do you like to enjoy tranquillity, views, and quiet walks? Your suggestions can help protect and improve access to what we enjoy. Are you a young person looking for something for you? You can have your say! Do you have lively toddlers raring to get up and go? - let us know what fun items they would race to around the village! Have you other bright ideas? This is a chance to make them happen!

Everyone, including each person from every family, and all ages are invited to do the survey (the very young are invited too, with parental etc help). You can answer just the bits that interest you. And suggest where to site new facilities.

The online link to the survey is

https://docs.google.com/forms/d/e/1FAIpQLSce1ZdbSXbeVinDDgSkBIAtMU0px3Ma55wczZHNJpat16SlZw/viewform?usp=sf_link

The survey link is also on our facebook page, the village website, and elsewhere.

Responses are confidential (encrypted by google forms) and cannot be linked to individuals. We just get the totals and grouped comments. We will let you know the results in the LINK, on the village website and our facebook page.

If online is not for you, paper copies will be at the Victoria Institute. Or you can get help with the online survey in the IT room. If you would like a paper copy sent to you please give your address to Peter and we will arrange this.

FIRST SATURDAY LITTER PICK

A group of residents get together on the first Saturday of every month to pick up litter and tidy the village. Meet outside the Victoria Institute at 10.00 a.m., weather permitting and in line with social distance guidance. Bags and litter pickers provided, and it is a good idea to bring your own gloves.

You decide how much time and where abouts in the village needs some attention. Half an hour or an hour can – and does - make such a difference. If you have seen an area which would benefit from a tidy up, please contact Peter Collins at the Victoria Institute (771733) and he will let the litter pickers know. For example, last month we acted on a request to clear rubbish which had been thrown into the beck by The Glen.

Next session Saturday 5th June

THE ROTARY CLUB OF LUNESDALE

On 15th April club members enjoyed a talk by a visiting Rotarian John Blowes entitled "Renewable Energy For The Home". We should all be aware that the planet's resources are being used up rapidly as the world's population grows and look to find ways to reduce our consumption. Since then we have had a business meeting and an AGM. On Thursday May 6th the club celebrated its 46th Charter (birthday) anniversary on Zoom. It was a pleasure to welcome District Governor Welma Robinson plus guests from several other Rotary Clubs together with family and friends. It was another of those occasions when the technology of the Zoom facility was invaluable eg I was able to welcome a member of my family, currently working in Dublin, to that meeting.

Paul Whittaker, who is profoundly deaf, was our guest speaker and it was very appropriate that he should be our speaker during Deaf Awareness Week! It was an absolute delight to listen to his talk. He is a talented musician and a real showman with a great sense of humour. He told how when growing up he was a quiet and shy boy but gave great credit to his super Mum for him now being positive, full of confidence and willing to try new things. He ended by playing the music of, singing and signing the lyrics of "Bridge Over Troubled Water" which was very emotional.

Next month members will welcome a new President and I shall hand over to my successor after what has been a very different year.

Keep safe, keep well.

B4RN HYPERFAST BROADBAND

B4RN VIA THE PAVEMENT

Work is expected to commence in Caton in July and Brookhouse is expected to follow. See below for more information.

INDEPENDENT B4RN APPROVED CONTRACTORS

To support those who want to get a connection we are looking for a range of local contractors who will be paid to install duct across gardens and install house kits. If you are a local gardener, landscaper, electrician, or handy person please get in touch at contractors@b4rn.org.uk

GIGABIT VOUCHER SCHEME

This provides funding to enable B4RN to get their network into the village. Please register today at b4rn.org.uk/getb4rn – this helps us gauge demand and plan finances.

INVESTMENT

Don't forget you can still invest in B4RN. 5% return, minimum investment £100. Invest £1500 or more and receive a free connection worth £150.

CATON NEWS

Plans are finished and we await the contractor's arrival. Estimated start time is July 1st! Initial works are expected to be along Brookhouse Road, from Artlebeck Bridge to the cabinet at the Victoria Institute, and to the Broadacres. The whole village should be connected within 12 months of the start date and, hopefully, sooner than that if all proceeds well

We also need volunteers to help with house connections. If you like the idea of helping friends and neighbours to get their connections installed, laying duct in gardens and fitting house kits, let us know by emailing cvb4rn@gmail.com. There will be ongoing training for volunteers.

Caton Village B4RN Team will commence weekly meetings every Monday night from 24th May, at 8.00pm in the Victoria Room at the Victoria Institute. Come along if you are keen to help or just need more information!

BROOKHOUSE NEWS

Connections continue to be made for those on existing routes. We expect St Pauls Church to be live by the time you read this. We are also extending the route to Holme Lane from Caton Green Road. Other areas will be planned into the hard pavement dig which is expected to follow completion of the Caton project.

We need volunteers to assist with digging, fitting house kits etc. We have a dig planned from 12 – 15 June. If you can help in any way, please contact b4rn4bn@gmail.com

ACKNOWLEDGEMENTS

JOYCE GREGORY - Adrian, Alison, Nigel and family would like to thank everyone for their kindness, support and beautiful cards following the death of Joyce, who had lived in the village since 1964. Also, for the generous donations to the Alzheimer's Society.

MARIAN O'NEILL – Grahame, David, Clare their families would like to thank everyone for their kindness, the flowers and cards received during their recent sad loss. It was greatly appreciated at a difficult time. Special thanks for everyone on Ashcroft Close.

ANNE KEATING - The family of the late Mrs Anne Keating would like to thank the people of both Caton & Brookhouse for lining the road and clapping Anne on her way to Caton Baptist Church on 7th April. This was most heartwarming and meant so much to the family not realising how much she was loved and cared for by the local people.
